Loreen and Amy:
I called Waltham and received a response from their attorney (see below). I've attached a blackline of FARMOVS' proposed changes - please let me know if these are acceptable. If so, a .pdf of the agreement can be emailed to both Gerry and Marlize.

Please advise.

Thanks,
Valerie

Gerry:
Thank you for your prompt response to my voice mail. Pursuant to a fax I received from Marlize today, there were minor changes that needed to be made to the project agreement. I am working with my Legal department to get those changes into a revised agreement. I will have this revised agreement sent to you via e-mail in .pdf format.

I will ask that FARMOVS be copied on the file sent so that they can confirm that the revisions are satisfactory.

Thank you.

-Valerie

Re your message:

I agree that this document should be signed by PAREXEL International Corporation as PIC signed the Jun 1 2002 Agmt.

I've asked FARMOVS to confirm that FARMOVS is OK with the document as presently written. I hope to receive this confirmation soon.
